

EARLY CHILDHOOD EDUCATION AND CARE

EARLY CHILDHOOD EDUCATION AND CARE

Early Childhood Educators assist in caring for the social, emotional, physical and educational needs of infants and young children in various care settings. Early Childhood Educators can have a profound influence on a child's wellbeing and development especially in the years of 0-5.

Qualifications in Early Childhood Education and Care focus on the core skills, knowledge and experience required to effectively assess the strengths and interests of children designing meaningful experiences that facilitate the child's growth and development.

WE MAKE IT

POSSIBLE

COURSE INFORMATION

The Qualifications in Early Childhood Education and Care have been designed to provide students with the opportunity to learn and practice the fundamental knowledge and skills required to work within the early childhood education sector.

We aim to equip our graduates with the necessary skills and knowledge to enable them to successfully satisfy the demands of the workplace.

The Certificate III in Early Childhood Education and Care (CHC30121) will provide you with the knowledge and skills required to use organisation policies, procedures and individual children's profiles to plan activities and provide care to children, facilitating their leisure and play and enabling them to achieve their developmental outcomes. A great program to start your career in child care!

The Diploma of Early Childhood Education and Care (CHC50121) qualification reflects the role of Early Childhood Educators who are responsible for designing and implementing curriculum in Early Childhood Education and Care services. In doing so they work to implement an approved learning framework within the requirements of the Education and Care Services National Regulations and the National Quality Standards.

Students who achieved CHC30121 Certificate III in Early Childhood Education and Care could progress to the CHC50121 Diploma of Early Childhood Education and Care. Please contact the College for more information.

Entry to Diploma

To enrol in the Diploma in Early Childhood Education and Care (CHC50121), a student must have completed either the CHC30121 or CHC30113 Certificate III in Early Childhood Education and Care. With direct entry, a student can achieve Diploma in just 1 year (4 terms).

Work Placement

The College may aid in securing work placement which is required for both the Certificate III and the Diploma. Work placements are typically unpaid, with working hours negotiated between the student and the early education service provider. Work placement visits will be conducted by our trainers (within an agreed distance) to assess student's practical skills as part of the course requirements.

First Aid Requirements

Some workplace institutions may require completion of additional First Aid units before a student can commence work placement. The HLTAID012 unit is included in the Certificate III course. We also offer the following First Aid units for a fee of \$75:

- HLTAID009 - Provide cardiopulmonary resuscitation
- HLTAID010 - Provide basic emergency life support
- HLTAID011 - Provide First Aid

Students who complete these additional units will receive a **separate Statement of Attainment**. Alternatively, students may opt to obtain First Aid certification from other providers.
