COURSE INFORMATION

Australian International High School (AIHS) is registered by the New South Wales Education Standards Authority (NESA) offering Years 11 and 12 to international and local students. We are also accredited to present candidates for the Higher School Certificate (HSC).

COURSE

Years 11 & 12 (Combined 2-year Course) are delivered face-to-face.

ASSESSMENT METHODS

Assessment methodology may include but is not limited to: project/report, written/oral tasks including multiple choice, question and answer, essays and presentations.

PATHWAYS

Depending upon course completion and subject grades, students may go on to university or enrol in a VET (vocational education and training) Certificate, Diploma or Advanced Diploma course at an Academies Australasia College. Students may also go to university after completing a VET course.

The VET colleges in the Academies Australasia Group have pathway arrangements with many universities and institutions of higher learning.

RESOURCES AND FACILITIES

We offer modern facilities, including audio-visual equipment and internet access. Being in the centre of the Sydney CBD, we are very well served by public transport and are close to public libraries. The student lounge is well equipped (microwave ovens, vending machines, computers with (free) internet access). Classes are held at Level 6, 505 George Street, Sydney NSW Australia.

WELFARE AND GUIDANCE SERVICES

Counselling services are available to assist students on education issues as well as matters concerning adjustment to life in Australia. We have policies and procedures in place to assist students with their special and individual needs or with learning difficulties.

I attended Australian International High School as a high school student in 2017. It was a great experience, our high school teachers are very supportive, patience and empathy. I have learned a lot from them, even the knowledge and lesson is still useful when I study at university.

— ESTHER HOANG, Bachelor of Business at Torrens University

Studying at AIHS was a wonderful journey. I completed year 11 and year 12 which helped me study my bachelor's degree. The teachers are helpful with any kind of problem faced by students.

— ZARIF SATTAR KHAN, Bachelor of Information Communication Technology, The University of Western Sydney

As an international student, it's quite difficult and challenging to navigate your life in a new country, especially if you're a teenager. I've chosen AIHS to study year 11 and year 12 which have been the best decision for me as it has helped to flourish in a super friendly environment where teachers and staff worked together to deliver the best possible experiences.

— SHAHRIAR ZILANI ISLAM, Bachelor of Computer Science Major in Cyber Security.

ACCOMMODATION, CARER ARRANGEMENTS AND AIRPORT PICK-UP

We can arrange accommodation in homestay (living with an Australian family), single residences or shared residences. Where required, we can also arrange carers for students under the age of 18 years, and for pick-up at the airport on their arrival.

High School Certificate (HSC)

Over the years, our AIHS students have achieved outstanding results in HSC.
