

The Academies Australasia brand is now also well regarded internationally. It represents a unique education group with a wide range of operations, many years of experience and high standards. A group established in Australia that does Australia proud.

Established in 1908

Academies Australasia Group Limited has been operating for 118 years. Its colleges have a long and successful experience in education.

Listed on ASX in 1977

It is now in its 50th year of listing on the Australian Securities Exchange. Public listed status means that, apart from having to meet the well regarded and carefully supervised standards of the education sector, the group must comply with the strict financial and reporting regulations of the ASX.

Students from around the world

Students have come from 141 countries.

Colleges

There are 18 colleges in the group, each with its own licence to operate as an education institution. Some operate in more than one location.
